Richard announces the next queen . . . Miss Caribbean Club

Debbie Richardson, Lisa Harrison, Lisa Parsons and Shelby Hill leads the court in the theme song for the evening, "That's what friends are for."

HOMECOMING

“88”

CONCERT

Kashif and audience sing "Love Changes"

Rhonda looks on as Kashif does sound check

"Love will make you oh so happy," sings Kashif and Denise

Tawanda Swann interviews Kashif after his dynamic performance

HIGHLIGHTS

Force M D's and Heavy "D" pose for a snap shot

Force M D's rocked the house at UMES 1988 Homecoming. "I Want To Know Your Name," is just one hit tune that the group sang. Heavy "D" also joined the group on the stage.

Phi Beta Sigma Practice for Step Show

It's "AKA" Time

Delta Sigma Theta Perform at Homecoming Step Show

"OH SUCH A SERIOUS MATTER"

Omega Psi Phi turns crowd on at Step Show

Homecoming Step Show was a blast . . . Fraternities and Sororities rocked the House.

GOES FOR
VICTORY
AT 1988
HOMECOMING
GAME**

A TIME TO REMEMBER

What did he say? He is gorgeous.

Where is the action?

Believe me, this is the answer.

Styling and profiling.

Five in the side.

Stop cheating.

This stuff is hard.

Tony Audrey diligently at work.

What's up home boy?

Don't we look cute?

My classes are over!

Phaion and Derrick mixing work and play together

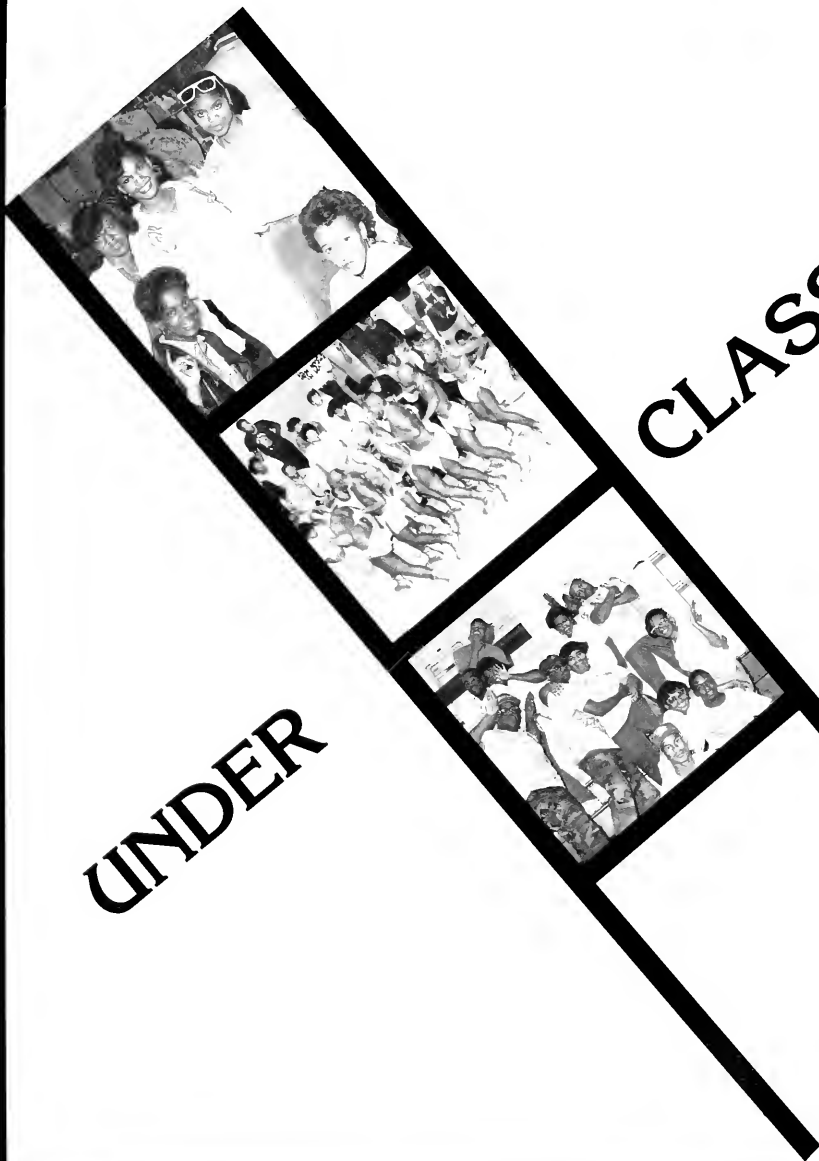

HRM students take a quick break to have their picture taken for the yearbook.

Students and faculty visit Mosely Art Gallery

FUN AT UMES

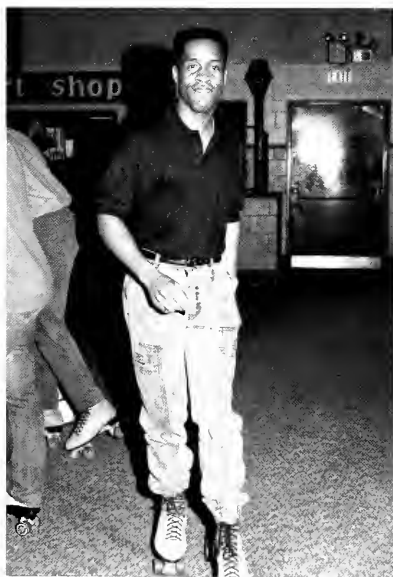

ADMINISTRATION

1. The first step in the process of administration is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

2. The second step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

3. The third step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

4. The fourth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

5. The fifth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

6. The sixth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

7. The seventh step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

8. The eighth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

9. The ninth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

10. The tenth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

11. The eleventh step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

12. The twelfth step is the selection of a suitable site for the establishment of the institution. This involves a thorough examination of the geographical, social, and economic conditions of the area.

President Of The University Of Maryland Eastern Shore

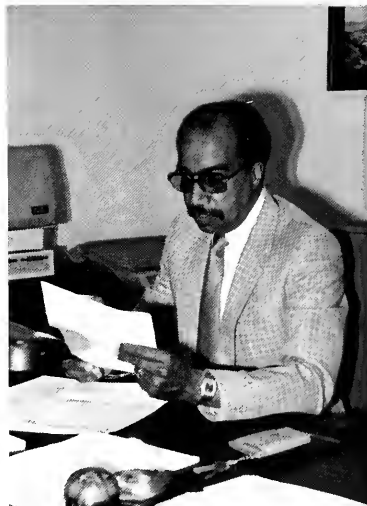

Dr. William P. Hytche, President

As UMES moves a step closer to the '90's, Dr. Hytche continues to lead his colleagues and students towards efficiency and success.

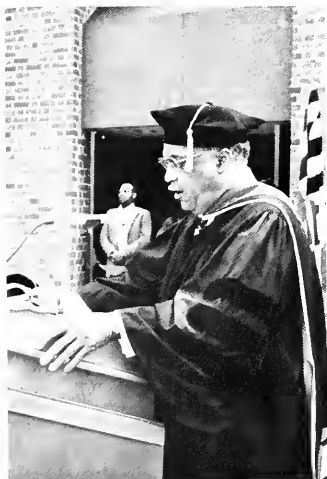

His radiant personality is a trademark of his humanity and genuine concern for others. His knowledge and experience are spin-offs of his intelligence. Dr. Hytche is a great inspiration to all who have passed through the ranks of UMES and all who have come to know him.
